**DreamCatcher Games to Publish *Enigma: Rising Tide - Gold Edition***  
The Most Popular Naval Command Simulator Ever Created Invades North America

Toronto, Ontario – January 4, 2005. DreamCatcher Games today announced it will publish *Enigma: Rising Tide -Gold Edition* for Windows® in North America.

*Enigma: Rising Tide* is the most exciting naval command simulation ever played. The Gold Edition puts gamers back in the Captain's seat with new missions and new weapons for the ultimate battle experience. Waging war as one of three factions (US, German or the League of Free Nations), players will earn control of a naval fleet of destroyers, submarines, patrol boats, and battleships. They must deploy every weapon in their command in order to claim victory over the toughest AI in any naval game to date. Weapons included in this mighty arsenal include historically accurate deck guns, AA guns, torpedoes, depth charges, hedgehogs and most important of all, sheer guts.

"*Enigma: Rising Tide – Gold Edition* is, without question, the most intense naval gaming experience out there," said Byron Gaum, Product Manager for DreamCatcher Games, "The new additions and enhancements applied to an already solid game are sure to turn armchair generals into naval aficionados."

*Enigma: Rising Tide – Gold Edition* contains the *Enigma: Rising Tide* base game and all support updates, such as selection of enemy for combat, direct control of environmental effects and a fully repurposed interface for improved functionality.

Further enhancements include newly remodeled ships with improved textures, more dynamic special effects and enriched optimization for better system performance. Improved voice command performance on trained systems is complimented by a new Professional Voice Response package, allowing the player to fully communicate with his crew heightening the thrill of combat. As a special bonus, the game also includes the popular *Enigma: Rising Tide* soundtrack by Timothy Steven Clarke.

*Enigma: Rising Tide - Gold Edition* is developed by Tesseract Games and has an ESRB rating of 'T' for Teen. The game will be available at North American retailers on January 28, 2005. For more information visit [www.dreamcatchergames.com](http://www.dreamcatchergames.com).
