For immediate release

DreamCatcher Games to Publish Domination
A New Chapter in the Massive Assault Universe

Toronto, ON - January 18, 2005 - DreamCatcher Games today announced it will publish *Domination, a* 3D turn-based tactical strategy game. *Domination* is slated to release for Windows® during February in North America and during April in Europe.

Domination features a renewed global conflict between the Free Nations Union and the Phantom League on distant planets, including sci-fi land, sea and air warfare at a grand-strategy level. The game inherits all of the remarkable features of the original game and deepens the *Massive Assault* player experience through increased gameplay options and new strategic challenges.

"We are delighted to offer a second opus from the *Massive Assault* universe," said Byron Gaum, Product Manager at DreamCatcher Games. "*Domination* lands players at the core of fierce, furious and intense interplanetary battles. With its awesome graphics, it is a truly tactical experience for all strategy fans."

"We believe our developers' devotion, passion and sweat have resulted in a nearly perfect strategy game," said Victor Kislyi, President at Wargaming.net. "With a great concept and balance, cutting-edge graphics and sound, various gaming modes and flexible settings, multi-level A.I. and breath-taking stories, *Domination* will ensure utter addiction."

Domination features:

- An innovative 'Secret Allies' concept
- 2 huge campaigns wrapped in absorbing storylines
- 20 non-linear scenarios, 10 planets for a World War mode
- Brand new Assault and Career modes
- All unit movement, firing and explosions are vividly animated using 3D graphics and sound
- 36 highly detailed units, including unique ones for each faction
- State of the art A.I. with flexible difficulty settings
- Instantaneous visual recreations of spectacular moments using unique camera modes
- Flexible random political map generation settings
- A.I., Hot Seat, LAN & Internet play modes
- More than 150 hours of gameplay

Developed by Wargaming.net, *Domination* has an anticipated rating of 'T' for Teen in North America and has an anticipated "12+ PEGI" rating in Europe.
